Hi Dallas

My name is Trev. The Crespillo Family has kindly linked my son Andrews website from Jordon's and we've done likewise. I want to first say that you are doing a great job in creating awareness and funds for ALD research. Hopefully all the money raised will pay off soon for children afflicted with Leukodystrophy. I'm writing to you to ask if you could possibly help us in our efforts to raise funds for the Myelin Project. This year on July 9th we will have the First Annual Andrew Beattie Memorial Golfing for Myelin Fundraiser. As I said we will be donating proceeds to the Myelin Project.

This is the first time I've done a fundraiser and I definitely need all the help I can get. What I'm trying to do, and I hope you don't mind me asking, is get a list of Pro athletes or celebs who are involved with either donating their time or name to charities like ours. We've been fortunate to get a few sports figures in Canada to help us. We will have 144 players in our event and we're looking to give some prizes away as well as add items to our Silent Auction Table. We have NFL hall of Famer Jim Kelly signed Football for starters. I know that getting a fundraiser started takes a lot of organizing and work and I'd appreciate any input or info that you're willing to send my way. My wife Leslie and my daughter Emily and I live in a small town south of Toronto Ontario about 70 miles called Dunnville. Our Fundraiser will be held at Freedom Oaks Golf club located near Lake Erie. We will be having a newspaper article going in the Dunnville Chronicle as well as a radio spot on a Niagara radio station to get the word out about ALD and The Myelin Project and the need for public support.

My sister Karen and Helen Hatzis (VP of The Canadian Myelin Project) began a motorcycle event last year in the Toronto (Whitby) area called Motorcycles4myelin. It was a huge inaugural success bringing in 1300 scooters, in Aid of our cause and raising about \$20,000. We are looking forward to this years show hoping to possibly double our numbers from last year both in bikes and money raised. The Girls did a fantastic job organizing the Event, so good that it won an award for Best bike show of 2004 in Ontario. They've laid the great groundwork for future bike shows. So if you know any one who rides Dallas, pass it on. I've recently purchased an old '79 wing and mounted a sidecar on. Emily is pumped with her new transportation for the summer! Anyway Dallas I'm getting off topic here and I don't want to take up too much of your time. I'd like to thank you for taking the time to read my letter. Further info about Andrew is on Andrews Website. Take care. I'm off to work.

Sincere Regards to you, The Jordan Fund and the Crespillo Family

Trever and Leslie Beattie
